MANUAL + AUTOMATIC | MALAYALAM + ENGLISH

Beginner-friendly learning support • Practice with a qualified instructor

1. Suggested Product Positioning

Product name: CAR DRIVING MASTER GUIDE — Malayalam + English

Audience: Beginners who want to understand the basics of manual and automatic cars before or alongside supervised lessons.

Core promise: Learn the controls, safety checks, basic driving sequence, parking concepts, road awareness and practice structure in one beginner-friendly digital pack.

Recommended starter pricing to test: ₹299–₹499 for the initial bundle; consider ₹499–₹799 only after the content is fully reviewed, visually polished, and supported with clear previews/bonuses. Pricing is a test, not a guarantee of sales.

Avoid claims such as “learn driving without an instructor,” “guaranteed licence,” or “master driving in 14 days.”

6. Buyer FAQ

Is this a driving course? No. It is a digital learning reference, not an instructor-led course.

Does it cover manual and automatic? Yes, the bundle is designed to explain beginner-level basics for both.

Will I learn to drive without practice? No. Real driving requires legal, supervised practice and instruction.

Is it suitable for complete beginners? It is intended for beginners, but users should learn at a safe pace and ask an instructor when unsure.

Is a licence included? No. The guide does not issue a licence or replace official licensing requirements.

Can I share/resell the file? Set and clearly state your own usage policy. A safe default is personal use only, with no redistribution or resale without permission.

7. Delivery & Launch Checklist

- Proofread Malayalam spelling, instructions and safety wording.
- ☐ Have a qualified driving instructor review technical driving guidance before sale.
- ☐ Add creator/brand name and support contact (only if you want to share it).

- ☐ Export final PDFs and check on mobile screens.
- ☐ Prepare 3–5 preview pages with a watermark or "sample" label.
- ☐ Decide price, payment method, delivery method and refund policy before taking payment.
- ☐ Clearly state file format, what is included, personal-use terms and that it is not a driving course.
- ☐ Test the complete payment-to-delivery flow with a trusted person.
- ☐ Keep a backup copy of the files and a simple sales/delivery tracker.

8. Important Trust & Compliance Notes

- Do not promise a licence, guaranteed driving ability, or mastery within a fixed number of days.
- Do not present generic road-sign notes as a complete or official list; ask buyers to check current official materials.
- Do not encourage practice on public roads without the licence, supervision and conditions required by law.
- Disclose exactly what buyers receive and avoid fake testimonials, fake scarcity or fabricated sales claims.
- Before selling, get the driving steps reviewed by a qualified instructor and check local legal requirements.
